

***As some of you know ASU Prep is located on a college campus. We utilize all of their athletic facilities on the Polytechnic Campus in Mesa. Now we do not charge admittance for the any of the games. However you **MUST** pay for parking. Not paying for parking may result in a ticket from parking services. There are pay stations located in the lots. Also the use of the park mobile help is helpful. Below are the steps for that process.

*** A change for indoor JH Sports this season. We will no longer be playing in Williams gym. We will now be playing in the CGCC Physical Education Center (PEC). Families will need to pay admission to enter this facility. Students will be allowed to enter with their school ID. Parking for this facility ONLY is free and can be found right next to the building.

PARKING MADE EASY: ASU Parking and Transit launch Parkmobile App to ease visitor parking *****

Do you want to park in any lot, and pay with your smart phone, then the Parkmobile App is for you. Visitor parking at ASU – now there is an app for that! In its efforts to bring the latest in parking technology to the Sun Devil community, Parking and Transit Services now offers pay-by-phone visitor parking. *****

To take advantage of pay-by-phone parking, create a free account online at Parkmobile.com. Once registration is complete, download one of their free apps for iPhone, Android, Windows 7, and Blackberry. The Parkmobile app may also be downloaded onto any tablet. To start a parking transaction with the app, key in the zone number found on the meter sticker or nearby Parkmobile signage in the lot. If your space has a number you will enter it next. Then, select the amount of time you wish to park, touch the start button to confirm the transaction, and you're all set! If your spot does not have a number, enter your information and payment. Parkmobile also sends an alert fifteen minutes before time expires so you can extend your parking transaction, where available*, where ever you are, meaning gone are the days when you will need to hurry back to feed the meter or pay station. Parkmobile is at all four ASU campuses, and Parkmobile accounts may also be used anywhere the service is offered throughout the country. *Some parking lots or meters may have maximum time limits
